Volunteer Registration Form 2024 Point-in-Time (PiT) Count

A Point-in-Time (PiT) Count is a strategy to help determine the extent of homelessness and the characteristics of the homeless population in a community on a given night, or at a single point in time. During the PiT Count, volunteers take to the streets and offer citizens the opportunity to participate in an anonymous housing survey.

Name: _____

Organization (if any): _____

Experience (if any): _____

Contact Information: _____

Roles available: Please prioritize which role you would like to serve as 1 or 2:

Team Lead _____ A volunteer that leads a team of volunteers (3 members per team) in a walking area. This person usually has experience working with vulnerable populations. Team Leaders require additional safety training (approx. 1 – 1 ½ hrs).

Survey Volunteer _____ Volunteers that walk a designated route in an area or patrol a higher traffic Hot Spot, offering an anonymous housing survey to citizens. It helps if these people also have some experience working with vulnerable populations, but it is not a requirement.
